**LETTERS OF WAR**  
**a Veterans Celebration**

Dear Parent and/or Guardian:

The Brazoria County Commissioners and Commissioner's Court requested that area school districts consider assisting the Brazoria County Veterans in their efforts to raise funds for the Brazoria County Ring of Honor Service Project, a new war memorial to be built on the northwest corner of the Brazoria County Courthouse in Angleton. Funding for the memorial's estimated \$615,000 construction cost is expected to come from grants as well as corporate and individual donors. The anticipated completion date for the project is Veteran's Day, 2010.

To support this endeavor, your student has been selected to participate in Brazosport Independent School District's fine arts performance, **LETTERS OF WAR, a Veterans Celebration**, May 21, 7:00pm, and May 22, 1:30pm, at the John Magee Auditorium.

Admittance is free, but donations for this worthy project will be accepted.

Rehearsals for these performances have been on going in fine art's classes across the district. Joint rehearsals will take place during the school day. District transportation to and from campus will be provided for all students participating in this program for rehearsals and performances.

Joint rehearsal and performance dates, times and locations:

May 11,	<u>Middle &amp; Intermediate school students &amp; directors, <b>only</b></u> – Bport Auditorium
May 19,	All brought to Bwood for section rehearsals
May 21, [performance 7:00pm]	All brought to Bport Auditorium for full rehearsal and performance, dinner will be provided
May 22, [performance 1:30pm]	All brought to Bport Auditorium for final performance

Thank you for supporting your student and all the students involved in the performances of **LETTERS OF WAR, a Veterans' Celebration**.
